

FACILITIES

Policy 701.6 (previously Policy 901.6)

Preliminary Building Specifications (Construction Standards)

School buildings shall be designed to provide the physical facilities necessary to implement district educational policies. The Board supports standards of construction which will ensure that these facilities are both functional and attractive.

The Secretary-Treasurer and his/her staff, in consultation with the District Coordinating Architect, shall be responsible for the establishment, application, and evaluation of comprehensive standards governing construction methods and materials. These standards shall be in conformity with the requirements of appropriate regulatory agencies and shall reflect the Board's concern for lasting value and performance.
