Policy 513.6-R (previously 603.6-R)

Outside Resource People

Requests by organizations or individuals for permission to address students, make presentations, or conduct programmes of research during the school day shall be handled as follows:

1. All requests from outside organizations or persons are to be submitted to the principal of the school, who may either
 - a) endorse the request; or
 - b) refer the request to the Director of Instruction (Administration), who may either endorse the request, or in case of possible conflicts or difficulties, refer the request to the Superintendent of Schools who may in turn consult the Board.
2. All invitations or requests for outside resource people to address small groups or classes on an informal basis (e.g. a parent invited to give a short talk to a class) will be handled by the classroom teacher, with prior notification to the principal as required in policy 513.6 (previously 603.6).
