Tendering For Construction

The Board of Education (Richmond) is responsible for the necessary construction, repair, and maintenance of school buildings, for their furnishing, heating, and lighting, and for the improvement and maintenance of school grounds.

The Minister of Education has been empowered by the Cabinet to make rules governing tendering procedures to be followed by Boards of Education. These rules were issued by the Minister in January 1986, and shall be observed by the Board and by all tenderers for construction in the Richmond School District.
